Dear Friend in Christ,

Thank you for your interest in our Teens-In-Training program. This program was designed for teens 15 years of age and older who are interested in leadership training and desire to be mentored and disciplined while gaining hands on experience. A position at Miracle Mountain Ranch is not a typical summer job, and is not for everyone. You must have a genuine love for children, a learner's attitude, the ability to be flexible when needed, and a lot of patience. You must be a committed Christian who has a strong relationship with Jesus Christ and be looking for opportunities to share your faith with ranchers and staff. In return for your hard work, we trust that the Lord will grant you eternal rewards beyond belief! Please prayerfully consider these expectations before sending in this application.
