

Praises for Spring 2016!

Spring Family News

Clockwise:

*- 4 days at Mary's with my sisters. First time Maureen traveled since all cancer treatments. Still cancer-free. She is having gall bladder out 5/6- please pray all goes well.

* Bob and Lana's: Their family at the shore- still a bit cool. Coloring eggs with the kids. (Keep praying for Bob and the realty business- getting customers).

* Daughter Chris wins the Diamond Award for teaching from the Rotary Club and District 11. Family pictures at a park. Isaac (glasses) is in boot camp- Army. School going well for everyone else.

Dean's Office- What's Up?

Spring is the time to get my running shoes on! There are several areas that take my focus.

1. **Graduation in Aug.** I am doing announcements, invitations, printing transcripts, diplomas, everything that involves the Edinboro Dinner and the festivities at the Ranch. Transferring

credits to colleges for students.

2. **Orientation in Sept.** Everything that deals with the new class coming in. Interviews, paperwork for out-of country students, housing families, all the updated contracts and handbooks.

3. **Nursing for Summer Camp.** Co-coordinating all volunteers

* Pat and Melissa's family Easter pictures. Emmy gets a new pony. Big sister is helping her to get rides.

It is true- "Children are a heritage of the Lord," and my family a blessing to me. I cherish every moment I get with any of them.

A little hobby I have taken to recently is "birds." To keep the bears away this year, I have taken to the trees this spring to put a little food out. A book from a second hand store has helped me to identify them: finches (esp. the purple), grosbeaks, cardinals, woodpeckers, black-capped chickadees,, wrens, sparrows, and so many more. What pleasure God's creation gives me in even their details! Have a great summer.

Thanks for all your prayers and support. In Him, Patty

and paperwork and clearances, housing and their kids in camps.

Spare time: still working on ACBC Counseling exams. Could use prayers for getting everything in on deadlines and that answers are accepted.
