Dear Community Leader,

Census data tells us that there are approximately 100,000 youth in the surrounding area and it is our desire to give every child the opportunity to attend summer camp. We want to give you the opportunity to help youth in your own community by helping to send them to summer camp. Scholarships are primarily available for Wild West Camps. However, there are limited scholarships for Wilderness and Horse camps for up to 50% of the camp fee., so we see this as a prime opportunity

There is no obligation to assist with sponsorships, but if you or your organization are able to co-sponsor these kids, you will enable us to reach even more youth. Any amount you can give will assist us in covering the cost associated with providing Summer Camp Scholarships. We also give the youth and their families an opportunity to contribute, but it is not a requirement for the scholarship. Please let us know of any businesses that may be willing to partner with us in this effort to invest into our community. Our goal is to raise \$75,000 this year to meet scholarship needs.

Attached is a reference form for you to fill out and send to our office as soon as possible. This can be faxed to (814) 664-4669 or e-mailed to [MMRCamp@Gmail.com](mailto:MMRCamp@Gmail.com). Also enclosed is a Community Scholarship Participant List for your use to track participants, if you choose to co-sponsor multiple scholarships. General guidelines to the Community Scholarship can be found on the back of this letter.

Thank you for your assistance! We are excited about partnering with you in reaching out to our community.

Sincerely In Christ,

Chip Hungerford & Noelle Purdie

# General Guidelines for the Community Scholarship

- These scholarship are made available to pastors and community leaders to give out to families with children that may not otherwise attend camp due to either financial needs or because the parent would not spend money sending their child to a Christian camp.
- They are generally for kids who have never attended Miracle Mountain Ranch (MMR) before. If they have attended there are scholarships available through MMR, we have included some of those in this packet.
- The amount of scholarship given is at your discretion. You may give a full or partial scholarship for a Wild West week of camp depending on need of the family. Horse camps are not available except for special situations; please Heidi at the office if you have this need.
- Registrations and scholarship reference should be sent in before June if possible to help guarantee a spot for the child. If it is a last minute registration we request the forms be in to the Ranch no later than Wednesday prior to the week being registered for. This allows us time to get all the information into our system and get them housed so we are ready for the kids on Sunday when they come for camp.
