Dear Volunteer Applicant,

Thank you for your interest in volunteering here at Miracle Mountain Ranch (MMR). We are grateful for individuals, such as you, who are ready and willing to assist in the ministry of MMR. Our volunteer program is set up to create flexibility while giving us consistency in each area. We pool all volunteers in the groups of Range Maids and Ranch Hands, placing volunteers where most needed in any given week. Volunteers may select an area they would prefer to serve, however preferences will be given to full summer and three week term volunteers first and then to one week volunteers on a first-come first-served basis.

The primary purpose of MMR's youth volunteer program is to develop healthy work habits while instilling Christ like character into the everyday lives of young people. We also hope to nurture these youth and develop them into becoming our next wranglers, barn staff, and counselors. Volunteers must be 14 years of age or older. Each group of volunteers meets daily for a bible study and devotions. The period of service for first time volunteers is determined on a week to week basis by the supervisor. Each volunteer will be evaluated on the basis of his or her desire and willingness to serve.

Below is a short description of each area and its responsibilities.

Range Maids: (gals)

Range Maids assist in the following areas: **Kitchen**, which includes food preparation, serving, and clean-up after meals. **Housekeeping/Landscaping** participates in the cleaning of the facilities and clean-up after meals. It also involves moving rocks and plants, pulling weeds, and other special landscape projects.

Ranch Hands: (guys)

Ranch hands assist in the following areas: **Grounds**, which includes the care and upkeep of lawns, trash removal, and minor maintenance. **Farming**, assist with bringing in hay, trimming fence rows and minor equipment work. **Construction** (must be 16 yrs or older), assist with construction projects; work could include concrete, masonry, framing, electrical, plumbing, roofing, etc. All ranch hands may also assist in chapel or dining hall set up and bringing in hay if help is needed in these areas.

Volunteers are housed with a counselor in each housing unit. Summer weeks run from Sunday afternoon through Saturday noon. Friday evening departure is available, please mark application if needed. The average workday is 8 hours long. Pool and trail ride privileges are available to each volunteer according to their work schedule. All volunteers are required to attend chapel services. Volunteers are not allowed to leave the premises unless accompanied by a parent / guardian or supervisor. For further information on a specific, area please contact us at (814) 664-7673 or mmrcamp@gmail.com.

Enclosed you will find an application with a brief description of responsibilities and a liability form. Please completely fill out all forms and return them. Volunteers are accepted on a first-come first-served basis.

In Christ,

Noelle Purdie

____ **E. ACTIVITY AGREEMENT:** As a participant in a Miracle Mountain Ranch Event I hereby understand the following to be true about these activities and understand any associated risks.

Equine activities: I have registered for an MMR event that may include the use of MMR horses (or other equines), tack and equipment, personnel and trails for the purpose of horseback riding. This includes both handling them from the ground and mounted. Though MMR chooses its horses carefully to use with novice riders, and follows a risk reduction program, no horse is a completely safe horse. Horseback riding is classified as a "rugged adventure recreational sport activity." There are inherent risks despite all safety precautions. MMR advises pregnant women not to ride horses unless permitted by a physician.

I understand that as a participant I must:

- wear an SEI certified helmet (provided by MMR)
- be able to carry out simple instructions
- be able to remain balanced aboard a moving animal
- alert the wrangler to specific needs during a ride
- not carry loose objects or make loud noises during a ride
- be under the 250 lb. weight limit
- be able to mount and dismount with little or no assistance – mounting blocks are available
- wear appropriate covered/closed toe boots or shoes, preferably with heels (sneakers/tennis shoes are acceptable but not Crocs)

Riders Experience: ____ Under 10 hours ____ Over 10 hours:

Paintball: Face masks specifically designed for paintball are provided and must be worn; long sleeve shirts and pants are recommended. Even with observance of proper safety procedure there may be bruising and/or broken skin noticeable following a hit.

Wilderness Experiences: These adventure type activities, which include trail rides, hikes, and wilderness camping, take place in uncultivated areas of woods and fields. Even though proper precautions are taken, there are implicit natural hazards which include, but are not limited to, wildlife as well as weather.

Does this participant have physical and/or mental health conditions, problems, and/or disabilities which may affect his/her safety and ability to ride a horse or participate in any other activity?

If yes, please describe: _____
