

The Hilton Headline

Hello Family and Friends!

It is not Spring time yet, but I was eager to share what God has been doing in my life the past few months. As many of you know, on Dec. 22nd, I started a relationship with Esther Waite, who is currently a 2nd year student in SOD. We are continuing to learn more about one other and further not only our love for each other, but our love for God and a further desire to please Him.

These past few months have been a difficult but rewarding time. Our 1st year student in media made the decision to leave the program, so now it is back to just our 2nd year student, Katie. I am very excited to put in more time investing in Katie because I have seen extreme growth in her photo and video skills. Now that I have been working more on graphic design and the marketing side of things, I have been able to start teaching these skills to Katie as well. I have began the hiring process for photographers and videographers for this Summer, please pray that we will hire great artists and if you know anyone interested, please let me know!

The students in the School of Discipleship are easily one of my many joys working at MMR. They are the life of the Ranch and I am so thankful I am able to invest in them, as well as simply being a friend to them. I have had the opportunity to take small and large groups of students/staff to a local rollerskating rink about 30 mins away, and those have been amazing times of fun and fellowship. Please pray that they will stay diligent in their studies and soak in as much information they can. I look back to when I was an SOD Student and I know I could have done much better with taking in information, but I am glad that God guided me through the projects with the understanding to complete them and to learn alot more about my God along the way!

As of right now, I am not sure where God wants me this coming Fall. I have a few opportunities currently and am really battling with what I should do that will better prepare me for my future and my future family. Please pray that God will give me direction towards a decision pleasing to Him.

Prayer & Updates:

- That I will invest in my media student and teach with Christlikeness.
- With my relationship with Esther, that we will continue to serve and encourage one another while serving in ministry at Miracle Mountain Ranch.
- That I will take more time in prayer and personal time with God so I will be more prepared to encourage the students, as well as taking care of my physical body, by exercising and getting enough sleep.

Financially:

I am so thankful for you all who have given me gifts when you can. It means more than I can even put into words.

While I have been receiving one-time gifts, I am still in need of monthly supporters to come along side me in Ministry.

If you are interested in supporting me monthly or as a one-time gift, go to:

<https://mrm.org/about/staff/kyle-hilton/>

Again, a HUGE Thank-you to all of you who have been supporting me financially, as well as encouraging me along the way!
