Dear Friend in Christ,

Thank you for your interest! The In-Training program is designed for teens 15 years of age and older who are interested in leadership training and desire to be mentored and discipled while gaining hands-on experience. A position at Miracle Mountain Ranch is not a typical summer job, and is not for everyone. You must have a genuine love for children, a learner's attitude, the ability to be flexible when needed, and a lot of patience. We desire that you be a committed Christian who has a strong relationship with Jesus Christ who is looking for opportunities to share your faith with others. Please prayerfully consider these expectations before sending in this application.

There are several ministry options open to In-Training, see below:

## **Ministry Summary:**

**In-Trainings** are responsible to the program heads and the head of the department in which they are training and will carry out various responsibilities within that department. All attend staff training and learn valuable information that will assist them in their area of ministry such as: presenting Bible studies/Bunkhouse Devotions, building relationships, soul winning, horse safety, wrangling skills, mechanics behind media and other skills that help them minister to children. Upon satisfactory completion of staff training, each will be assigned to work two weeks of camp in their area of ministry.

**Counselor In-Trainings (CIT)** will assist counselors with bunkhouse activities and help teach games, sports and lead Bible studies/Bunkhouse Devotions.

**Barn In-Trainings (BIT)** will assist the wranglers in chores, saddling horses, trail rides, and other horse-related projects.

**Photographer In-Trainings (PIT)** will assist the photographers in capturing and editing both pictures and videos, while receiving instruction to help improve technique.

## **In-Training Cost: \$435.00**

A \$75.00 non-refundable registration fee is <u>due upon application</u>. The remaining \$360.00 is due by Staff Training Registration. (Financial assistance is available if needed, please contact the office for further information)

The Summer Staff Training will begin June 15<sup>th</sup> and conclude June 20th for the Teens-In-Training program; registration is from 4:00-5:00 PM. The two weeks of on-the-job training will be scheduled to meet your needs to the best of our abilities.

Please complete the following application carefully and mail it to MMR. We look forward to the opportunity of working and serving with you in the ministry at Miracle Mountain Ranch. If you have any questions, please feel free to call the office at (814) 664-7673.
