

Dear Family and Friends,

We hope you all are doing well! We hope you all had a blessed Easter enjoying and celebrating the resurrection of Christ! We are going to be entering a busy season of life as spring is here and summer continues to sneak up on us. It has been nice to look back on our winter here at the ranch and be thankful for how the Lord has worked in our lives, in the students' lives, and in the retreaters' lives.

Some big things that have changed, we have moved! We moved from our beloved fema trailer, to a small apartment off of the main town hall building. We have two bedrooms, an actual living room, a kitchen, and a full bathroom. We have been loving the space, as well as our apartment is right off the gym, so it has been fun to go out and play pickleball or basketball when we get bored. We also had the opportunity to go

to a lot of conferences in the month of February, we went together to Faith Biblical in Indiana, Jacob then went to CCCA in southern Pennsylvania, and then we both went to Tweakage in Michigan. It was a great time of being poured into and gearing up for the summer season.

Both of our students, Kylie and Nora, are currently in Mexico. They had been looking forward to it and now they are finally there serving and enjoying the fellowship with the people in Rio Chico and Babicora! They come back on April 12th, so please be praying for safe travels for them! They will come back and jump right back into the student program. It is crazy to think

that they are only here for four more months, and three of those months they will be serving in summer camp. Nora will be serving this summer as a counselor and Kylie will be serving as a riding instructor. We have loved getting to know them and mentor them as they go through our discipleship program.

Sienna started training a horse named Ember in her second year here as a student, and this year Ember gave birth to Sedona on March 21st! We have three other mares pregnant this year, so hopefully in the next few weeks we will have a total of five foals on the ranch! The cuteness will be at an all time high here at the ranch.

Here are some prayer requests we have:

1. Continue to pray for our students this year, that they finish the year out strong and find their strength in Christ, as summer can be fun but also exhausting. They both have grown so much in the past year, and we want that growth and desire for the Lord to continue.

2. Pray for us as we continue to work and also grow our relationship closer to the Lord. It has been a blessing being here and being surrounded by so many amazing mentors to help our relationship continue towards pleasing the Lord.
3. Pray for us financially, the Lord has been blessing us continuously in this area, and we could not have done it without the amazing support we have from you. Thank you so much for everything you have contributed to us, we are extremely grateful!
4. Pray as we gear up for summer camp that both the ranchers and summer staff are open to what the Lord is going to teach them this summer, hopefully bringing lots of kids who don't know Christ, to Him!

If you are considering giving or want to give, reach out to us by email or visit MMRM.org for more information. Anything helps us out. If you have already been supporting us, we are extremely grateful! We are thankful to be surrounded by people who love and support what we do here at the Ranch, not only in financial help but also in prayer. That is what carries us to keep doing what we do here at the Ranch! We appreciate the prayers and are very thankful to all of you. Much love and God bless!

Sincerely,
